

Turning Hope Into Results

A Turnaround Action Plan for the Providence Public School District

Our Turnaround Action Plan (TAP) is a collaborative approach, created with input from various stakeholders, for transformational change that puts students first.

A PLAN FOR LASTING CHANGE

A Five-Year Road Map with Concrete Metrics and Strategies

The TAP contains a set of ambitious initiatives with concrete metrics for Years 1, 2 and 3, aligned to the Three Pillars and a Foundational Principle. Years 4 and 5 will be based on progress and community engagement.

AN ONGOING EFFORT

Continual Rigorous, Initiative-Based Progress Monitoring

1x a YEAR

RIDE and PPSD staff will internally review and grade the TAP

2x a YEAR

A formal public review of progress will be presented

1x a YEAR

The TAP team will review next year's initiatives at the end of every school year

TAP BY THE NUMBERS

1,000+

Number of Providence residents who directly contributed to the TAP

12

Number of Power Metrics to measure our progress over the next five years

26 of 40

The number of TAP initiatives that come directly from Community Design Team recommendations
